

Online Research and Teaching Tools (ORTT)

The purpose of the CARFMS/ACERMF Online Research and Teaching Tools (ORTT&PF) website is to provide easy access to the information, methods, and techniques that are required to excel in both research and teaching in the field of refugee and forced migration studies.

The ORTT website will allow you to access quickly and easily the following materials in the field of refugee and forced migration studies:

GLOSSARY OF TERMS

KEY CONCEPTS IN THE FIELD

METHODOLOGICAL APPROACHES

THEORETICAL FRAMEWORKS

SOME ESSENTIAL ORGANIZATIONS

PROGRAMS AND COURSES

LESSON PLANS

We invite all those who are not members of CARFMS to join our Association. Come join us in helping to achieve a better understanding of refugee and forced migration studies in order to protect and advance the rights of refugees.
